Dear Patricia:

This letter is being written to confirm our desire and pleasure to maintain our subcontractor relationship with Carmen Morris & Associates ("CMA").

CMA's focus on community outreach has been invaluable to MDAD, and the services this firm offers will be instrumental during 2005 given Miami Dade Aviation Department's planned solicitation schedule. Twenty percent (20%) of the contract value for Amendment 6 will be allocated to CMA for their 2005 services. This amount equals \$40,000 for the period December 17, 2004 - December 16, 2005.

Sincerely,

THE CENTER FOR AIRPORT MANAGEMENT, LLC
